

## COVID-19 Protocol

As you know, we are in the middle of a very rapidly changing situation, and we want to keep you as safe as we can. With that in mind, I wanted to give you the latest information regarding Tenth Street with the recommendations of the CDC, national leaders and the County of San Diego. At the present time, they are recommending that there be no gatherings of more than 10 people. Here are the plans for Tenth Street as of March 19, 2020:

Brian may be going down to the building on Sunday morning, March 22<sup>nd</sup> and hold an assembly for less than 10 people. I will let you know definitely as we get closer to Sunday morning.

For those of us remaining in self-isolation, there are several churches of Christ that will be live-streaming their services over their web sites. I will put together a list of those and e-mail them to you. In addition, you can go to our own web site, [www.10thstcoc.com](http://www.10thstcoc.com), and listen to one of Brian's sermons and use the On-Line Bible Study available. *Special thanks to Clarence Ball for maintaining our web site!* There is also the Gospel Broadcasting Network ([www.gbntv.org](http://www.gbntv.org)) that has excellent resources on their web site.

### Lord's Supper

We have ordered 500 of the pre-packaged cups that include the bread, but we do not believe that they will be available before this Sunday. As soon as they arrive, we will let you know. Dennis and Pam Everett can deliver them to you if you would like, as we are still in a self-isolation phase.

Until then you can use unleavened bread (Matzos crackers) and grape juice at home. If necessary, if you can't get out, call someone and have them pick up some for you at the store.

### Contribution

Since we don't have the ability for on-line giving, you can either keep your contribution until we are able to meet again or you can mail it to the building or to my home address.

I will keep you updated as the situation develops. If you have any questions or concerns, please call email me [webmaster](mailto:webmaster) information
